APC Back-UPS™

Power and protect your critical electronics from damage due to power outages, surges and spikes while providing short term battery power during an outage. The Back-UPS 750 protects your equipment and network connection in harsh power environments, ensuring maximum productivity while maintaining work efficiency.

Certainty in a connected world

The new APC Back-UPS 750 combines high value features with affordable pricing.

3 Schuko "Battery Backup & Surge Protected" Sockets
Power and protect your critical electronics equipment that require battery back-up along with surge protection allowing you to save your work and protect your data when the power goes out or fluctuates at dangerous levels.

1 Schuko "Surge Only" Socket
"Surge Only" outlets protect your secondary electronics (printers, fax machines, etc.) from harmful surges and spikes without reducing battery capacity used to run primary electronics during power outages.

USB Connection and PowerChute Software
Protects your system by enabling unattended shut down or hibernation of PC OS when UPS battery is low:
• User interface in Russian language
• Monitors system, and logs utility power problems and battery conditions
• Allows you to configure Back-UPS options like voltage transfer settings, silencing alarms during night hours, shutdown parameters, etc.

Push Button Circuit Breaker
Easily recover from circuit overloads and protect your fuse box and electronics from electrical damage.

LED Indicator and Audible Alarms
Quickly understand your UPS unit and power status through visual and audible indicators.

2 Year Warranty
APC assures customer peace of mind offering a 2 year warranty with free technical phone and online support.

APC Back-UPS 750 Applications
• PC and Peripherals
• Networking equipment (router, modem)
• Network Attached Storage (NAS)
• Game console
• Projector with impulse power
• Landline cordless phone

APC Back-UPS
BC750-RS Technical Specifications

Output

Output Capacity	750VA / 415 Watts
Output Voltage / Frequency (On utility)	230V / 50/60 +/- 1Hz
Output Voltage / Frequency (On battery)	230V +/- 8% 50 or 60 Hz +/- 1Hz (auto-sensing)
Output Connections	4 Schuko sockets 3 with battery backup and surge protection 1 surge protection only
Waveform Type	Stepped Approximation to Sine Wave

Input

Maximum Adjustable Input Voltage / Frequency	160 – 278 V / 45 ~ 65 Hz (50, 60 Hz auto-sensing)
Input Over Current Protection	7A Circuit Breaker

Surge Protection

AC Power Surge Protection	All Sockets

Physical

Unit Dimensions (H x W x D)	200 x 115 x 256 mm
Unit Weight	5.80 Kg
Shipping Dimensions (H x W x D)	287 x 450 x 221 mm
Shipping Weight	6.15 Kg
Color	Black
UPC Code	731304327912

Battery

Battery Type	Maintenance-free, sealed lead-acid battery, leak proof
Typical Recharge Time	8 hrs

Management

Alarms	Visual (LED) and audible alarms
Adjustable Sensitivity and Transfer Voltage	Low, Medium (default), High
Auto-Shutdown Software	PowerChute Personal Edition (via USB interface, USB cable is included)
